During the year the number of leaseholders who applied under the provisions of the Land Law (Ireland) Act, 1887, direct to the Land Commission was 6, and to the Civil Bill Courts 2: there were no applications made to the latter Court during the same period to fix judicial rents in cases where ejectments were pending pursuant to the provisions of sec. 6 of the Act referred to. The total rental dealt with was £7,509,797 and the aggregate judicial rent fixed in respect thereof was £8,954,068, the result being an average reduction of 20·7 per cent. over the entire country. The number of cases struck out, withdrawn, or dismissed was 75,431 of which latter some were disposed of on subsequent applications. The total number of cases disposed of during the period from August, 1881, to 31st March, 1914, was therefore 456,202 for a first statutory term.

The entire number of rents fixed to the 31st March, 1914, for a second statutory term was 123,177. The total rental in these cases for the first statutory term was £2,552,105, and the aggregate judicial rent fixed in respect of the same for a second statutory term was £2,056,864, the result being an average reduction of 19·4 per cent. on first term rents. The amount so collected was paid out to the persons entitled to receive it as rapidly as possible on its receipt.

Notices in the prescribed form were, pursuant to the provisions of Section 23 (1) (4) of the above Act, lodged with the Registering Authority during the year for the purpose of having the titles of the tenant purchasers registered in all cases where the advances in aid of purchase were made in the year.

3,250 copies of Land Certificates, exclusive of copies "written up," were issued in the year free of charge to the Registered owners or their solicitors.

TEMPORALITIES OF LATE ESTABLISHED CHURCH.

Income and
Annual
Expenditure on
Church
Fund

The property of the late Established Church, which was vested in the Land Commission in 1881, produced during the year a total receipt of £312,667 including £241,114 received for the proceeds of sales of property and the redemption of income. Out of the sums so received, and the balance brought forward from the previous year, payments were made during the year amounting to £150,581 for annual charges on the Church Fund, and £359,060 was invested.

Statement
as to
Revenue
and Expen-
diture

The normal annual income receivable, including terminable annuities to the amount of £99,635 for the present financial year, together with interest on invested surplus, estimated on the 1st April, 1914, is £263,327. The fixed annual charge on the fund with cost allowed for administration, taken on the same date, amount to £180,893. Thus the normal income receivable in the present financial year is estimated to exceed the expenditure by £82,334, and this balance will be increased by the amount which may be realised by sales of property and redemptions of income. The capital liabilities upon the Church Fund amount at present to £2,800,000, namely, the National School Teachers' Pension Fund, £1,300,000, and the Congested Districts Board, £1,500,000. In addition there are annual charges upon the Church Fund to the amount of £90,000, namely, a perpetual charge of £20,000 per annum for the Irish Universities, and a charge of £70,000 per annum in favour of the Department of Agriculture and Technical Instruction. The latter charge is fixed for a period of fifteen years certain from the year 1900, and the amount for each subsequent period of fifteen years is to consist of such annual sum as, in the opinion of the Treasury, can be paid without impairing the security for any prior liabilities upon the Fund (62 and 63 Vic., cap 50, sec. 15 (b)).

Attention has been called in previous Reports to the present and prospective depreciation of the Church Fund as a result of (1) the compulsory redemptions of Church income owing to sales under the Land Purchase Acts, (2) the cesser of the receipt of terminable annuities, and (3) the reduction of Tithe Rent Charges and Perpetuity Rents as explained below. The operation of each of these causes leads to the depreciation of both the capital value and the income of the Fund, and it is estimated that the income will eventually be insufficient to meet the expenditure if the latter should be continued upon the existing basis. Further particulars respecting the income and expenditure are shown in the Appendix.

Tithe-Rent-
charge Act,
1906.

During the year 7 cases, representing an Annual Income of £35 12s. 4d., were admitted to the benefits of Section 8 of the Tithe Rent Charge (Ireland) Act, 1906, and the reductions amounted to £7 18s. 11d. per annum.

Since the passing of that Act 16,087 cases covering an Annual Revenue of £137,389 were so admitted; the reductions amounted to £32,349 being an average of 23½ per cent. on the income affected by the Act, and 1,193 cases representing an Annual Income of £4,459 were excluded by Section 8 from the benefits of the Act.

In 2,290 cases covering an Annual Title Rentcharge of £17,144, either the Statutory Declarations required had not been received from the Payers, or the queries issued upon their applications had not been discharged up to the 31st March, last.

Declarations have been received in about 8,000 cases from Title Annuity Payers in support of their claims under the provisions of Section 1.

As has been stated in previous Reports the Perpetuity Rents payable to the Commissioners which numbered 779, and amounted to £40,626 14s. at the 22nd August, 1884, were reduced under the provisions of Section 90 of the Irish Land Act, 1903, from 1st November, 1903, by the applicable percentage as certified in the Dublin Gazette of 20th October, 1900. The reduction amounted altogether to £11,347 15s. 3d., or 22·66 per cent. Section 90 of the Irish Land Act, 1903

The amount of arrears due to the Fund at the 31st March, 1914, was £28,998 0s. 10d. Arrears. At the corresponding date last year the arrears were £31,800 0s. 7d. 144
